

SINGLE TOTE LIQUID TRANSFER CARRIER

The Single Tote Liquid Transfer Carrier is designed to safely contain for transport one (1) 550 Gallon IBC Transport Tank. This package reduces possibility of tipping and sets up the proper 4 point lifting that is needed for safe rigging in the Offshore E&P Industry. The Tiger Single Tote Liquid Transfer Carrier is designed for offshore dynamic lifting in accordance with the provisions of API RP 2A and SEPco document OPS0055.
